LOCATION

You will be in one of the most iconic places for a safari. Campi ya Kanzi is just 35 miles away from 19,341 ft Kilimanjaro, resting on the foothills of the Chyulu Hills (Hemingway's Green Hills of Africa). Lions, elephants, buffaloes, giraffes and all types of antelopes populate the area. This is a place you do not want to miss on your safari!

HOW TO GET THERE

Our airplane (Cessna 206) or by charter, 1 hour flight from Nairobi (or Mombasa, or Malindi) - 30 minutes from Tanzania (Namanga).

BELIEFS

Exclusive wilderness. Guided by local Maasai landlords, making you living an authentic safari experience which benefits the indigenous community. Appropriate luxury. Homy feeling: we will be your home away from home. Zero emissions safari with Rivian safari vehicle and Electric Land Rovers.

ACCOMODATION

We can accommodate 16 guests in 6 luxury tented cottages and 2 luxury tented suites (The Hemingway and Simba suites), all set on wooden platforms with thatched roofs and large en-suite bathrooms, special ecofriendly flush toilet, shower and bidet.

Bedding is of the finest Italian linen. Complimentary WiFi. Coffee/ tea station. Tents are named after the view from the verandas, from Chyulu Hills to Kilimanjaro.

ACTIVITIES AND SAFARI

Campi ya Kanzi, and our sister lodge, Chyulu lodge, are the only ones in 400,000 acres Maasai wilderness. Guests will enjoy genuine African wilderness in exclusivity, away from the zoo safari experience of crowded National Parks.

Included activities: game drives in EVs, game walks, forest walks, horse back riding. Maasai village visits.
Excluded: massages, scenic flights, excursion to Tsavo National Park and Amboseli National Park.

PERSONAL HOSTING

You will not be in a hotel, but in our homes in the bush. 'We' are Luca and Antonella (founders) and the Maasai (landlords of this paradise), and we will, collectively, be your hosts. All activities will be tailor-made to your desires, from classic game drives in many different habitats, to lovely game walks with your Maasai guide and tracker!

ITINERARIES

We tailor activities to suit each guest's requirements. We recommend a 3 to 4 nights stay at Campi ya Kanzi and 2 to 3 nights stay at Chyulu Lodge to fully enjoy the ecosystem and explore the rich biodiversity of the area. The connection with the local Maasai landlords is not just profound, but extremely genuine.

As the conservation fee per guest per day is paid to the Maasai Wilderness Conservation Trust, guests are seen as benefactors. Walking in the savannah, in the clouds forest, along the river, with a Maasai tracker is an unforgettable experience. Wildlife diversity is extremely rich and landscape beauty impressive. Tsavo, largest National Park in Kenya, is magnificent, and Amboseli, with elephants and flamingoes is iconic.
