

CONSERVATION SAFARIS

Embark on a Safari with Purpose – Where Adventure Meets Conservation!
Experience the untamed beauty of Africa while making a real difference in protecting
its iconic wildlife and landscapes, all while working hand-in-hand with the local Maasai
community to create a sustainable future.

Campi ya Kanzi and Chyulu Lodge,
in partnership with Maasai Wilderness Conservation (MWC),
invite you to embark on exclusive conservation safaris that seamlessly
blend luxury, adventure, and a deep commitment to protect nature.

Nestled in the heart
of the iconic Chyulu Hills, famously described as the
“Green Hills of Africa,” this award-winning eco-lodge offers
breathtaking views of Mount Kilimanjaro and the surrounding wilderness.

These unique experiences allow you
to witness awe-inspiring landscapes and wildlife, immerse yourself
in Maasai culture, and gain
a behind-the-scenes understanding
of conservation on
the ground.

SIMBA SCOUT SAFARI

Live an exhilarating adventure alongside Maasai warriors (Simba Scouts), tracking lions through the wild, learning about lion conservation, and discovering how these warriors have transformed from lion hunters to lion protectors.

- Impact: Support the Simba Scouts, who prevent human-wildlife conflict and protect lions.
- Duration: 3 nights, with 2 days in the field (Year-round).
- Contribution to MWC: \$2,500 per person (Max 4 guests).

LION COLLARING SAFARI

Get an exclusive front row seat and witness conservation in action by participating in a lion collaring operation. Gain unique insights into how collars are used to monitor, protect, and better understand these iconic predators and get the opportunity to track the newly collared lions.

Be armed with patience as this operation is easier said than done!

- Impact: Aid efforts to protect lions through reducing human-wildlife conflict.
- Duration: 6 nights, with max 5 days spent in the field.
- Contribution to MWC: \$25,000 per collaring (Max 2 guests).

AERIAL WILDLIFE CENSUS SAFARI

Take to the skies for a bird's-eye view of wildlife conservation in action. Fly with MWC's aerial census team as they monitor and record key wildlife data.

- Impact: Contribute to the seasonal monitoring of key wildlife species.
- Duration: 3 nights, with 1 day prepping and 1 day flying (End May - wet season) or (End September – dry season).
- Contribution to MWC: \$8,000 per aircraft (Max 2 guests, Max 2 aircrafts).

WILDLIFE PAYS SAFARI

Step into the role of a Verifying Officer, investigating livestock predation incidents in a forensic Crime Scene Investigator-style experience. Examine the evidence, identify the predator culprit, and learn how MWC's innovative compensation program fosters coexistence between humans and wildlife.

- Impact: Support the innovative compensation program that promotes coexistence between herders and predators.
- Duration: 3 nights, with 2 days in the field (Year-round – best times June - September).
- Contribution to MWC: \$2,500 per person (Max 2 Guests).

LIVELIHOODS SAFARI

Connect with Maasai women and immerse yourself in their inspiring livelihoods projects that blend tradition, sustainability, and empowerment.

Create exquisite Maasai beadwork alongside these talented artisans, knowing your efforts support their income and preserve cultural heritage.

Alternatively, join them in harvesting grass seeds that are sold for vital restoration projects, helping to revive degraded lands and to sustain their communities.

- Impact: Empower Maasai women, support sustainable incomes, and restore degraded landscapes.
- Duration: 3 nights, with 2 days in the field (February and June).
- Contribution to MWC: \$2,500 per person (Max 4 Guests).

CARBON SAFARI

Explore Mzima Springs and the lush Cloud Forest at the top of the Chyulu Hills and learn about the innovative REDD+ carbon project that combats climate change, protects critical habitats, and supports local communities.

- Impact: Support climate mitigation efforts.
- Duration: 5 nights, with 4 days in the field (Year-round).
- Contribution to MWC: \$3,000 per person (Max 4 Guest).

WALK WITH RANGERS

Experience conservation on the frontlines by accompanying MWC rangers on a wildlife monitoring patrol. Learn how they use SMART (Spatial Monitoring and Reporting Tool) to collect data and visit MWC's HQ to see how the data is analysed and used for conservation planning.

- Impact: Help MWC rangers safeguard wildlife, deter illegal activities, and monitor biodiversity.
- Duration: 4 nights, with 3 days in the field (Year-round).
- Contribution to MWC: \$2,500 per person (Max 2 Guests).

WHY CHOOSE US

Exclusive Access: Go behind the scenes of conservation work rarely available to the public.

Unforgettable Experiences: Witness Kenya's rich biodiversity in one of the world's most iconic landscapes.

Directly support Maasai-led programs in conservation, health, and education. .

WHAT MAKES THESE SAFARIS SPECIAL

The conservation safaris are truly unique, they offer a rare blend of authentic wildlife experiences and hands-on conservation efforts led by the Maasai community. Unlike traditional safari, these unique field activities immerse guests in the heart of groundbreaking conservation initiatives within the iconic Amboseli-Tsavo ecosystem. Guests not only witness incredible wildlife but also gain exclusive, behind-the-scenes access to the programs and people actively protecting these species and landscapes. The conservation safari supports sustainable tourism, ensuring that every visit contributes directly to preserving wildlife and empowering local communities- making it a journey of purpose, connection, and impact.

BOOK YOUR CONSERVATION SAFARI TODAY

Be part of our journey to protect Kenya's wildlife and empower the Maasai community. Some of these incredible activities can be combined and tailored into a week-long conservation safari.
